## A WORD

### *From the Editors*

The CARDINAL is a traditional part of our school; memories of our precious school days, our hopes, our dreams, and our struggles to fit ourselves for our future tasks.

May we be inspired by this yearbook to move ahead with loyalty, courage, and high hopes. We are proud to have had a part in putting together this thirty-sixth volume of the CARDINAL and of being a part of Norris City High. May it be a source of fond remembrances throughout the years.

# *I* *N* *M*EMORIAM . . .

IKE TURNER

His capacity for affection was unlimited. His greatest pleasures came in being of service to others. His main interest was in the progress of his community and the improvement of living conditions for its people. Always ambitious, Ike Turner not only sensed the needs of his town, but also inspired other residents to encourage future growth and prosperity. Three times the people of Norris City voiced their trust and confidence in him by electing him mayor.

The many civic improvements which he made in our town brought him much respect and admiration, and engraved his name in the history of Norris City. But his warm, loving personality, his charitable character, and down-to-earth goodness has engraved his memory in the hearts of all who knew him.

# To A Tradition . . .

It is with humble spirit and in great loss that we respectfully dedicate this annual to a truly remarkable and courageous man; Mr. Humbert J. Phelps. Within the past 38 years he has, through his tireless efforts, directed our community's school system from barely average to an outstanding example, respected and admired throughout the state.

Mr. Phelps has set an example which any of us might well be proud of following. He was strong in his opinions and yet not to the extent of impairing his vast sense of fairness and reason. He had a true fighting spirit and an overwhelming and arousing speaking ability which he never failed to unleash against abuse or indifference. Many of his other virtues also stand as inspiring goals for us; his patriotism, his loyalty (to both this school and this community), his ability as an instructor and a leader as well as an advisor and counselor. Mr. Phelps was a man of constant drive, who upon completion of one task immediately set off on another.

The departure of this man of virtue and ability, of drive and of fighting spirit, has left an emptiness in our midst which will never completely be filled. In our bereavement our comfort may well be the sincere hope that his virtues, his drives, and his fighting "Cardinal spirit" might remain with us, within this school and this community which he loved.

The greatest benefits performed to us throughout our lives are usually the efforts of people who quietly labor with little thought being given to their services. Those pictured on this page are among these who unselfishly and helpfully dedicate many hours to our comfort and well being.

## *Student Council*

The Student Council, the student governing body of the school, is the link between students and administration. Its purpose is to promote the worthy ideals of scholarship, citizenship, sportsmanship, extra-curricular participation, service, and co-operation.

Major activities this year were having a student-faculty tea, planning the homecoming, holding all school elections, and revising the school handbook.

## *Yearbook Staff*

The Cardinal Staff of 1961-62 has worked diligently all year trying to produce a bigger and better yearbook. We have worked to make it an accurate record of our school days and a yearbook that will be a credit to our school. We especially want to acknowledge the work of our sponsor, Miss Given, who has spent many hours helping us to prepare for you this "book of treasures."

## *Advertising Staff*

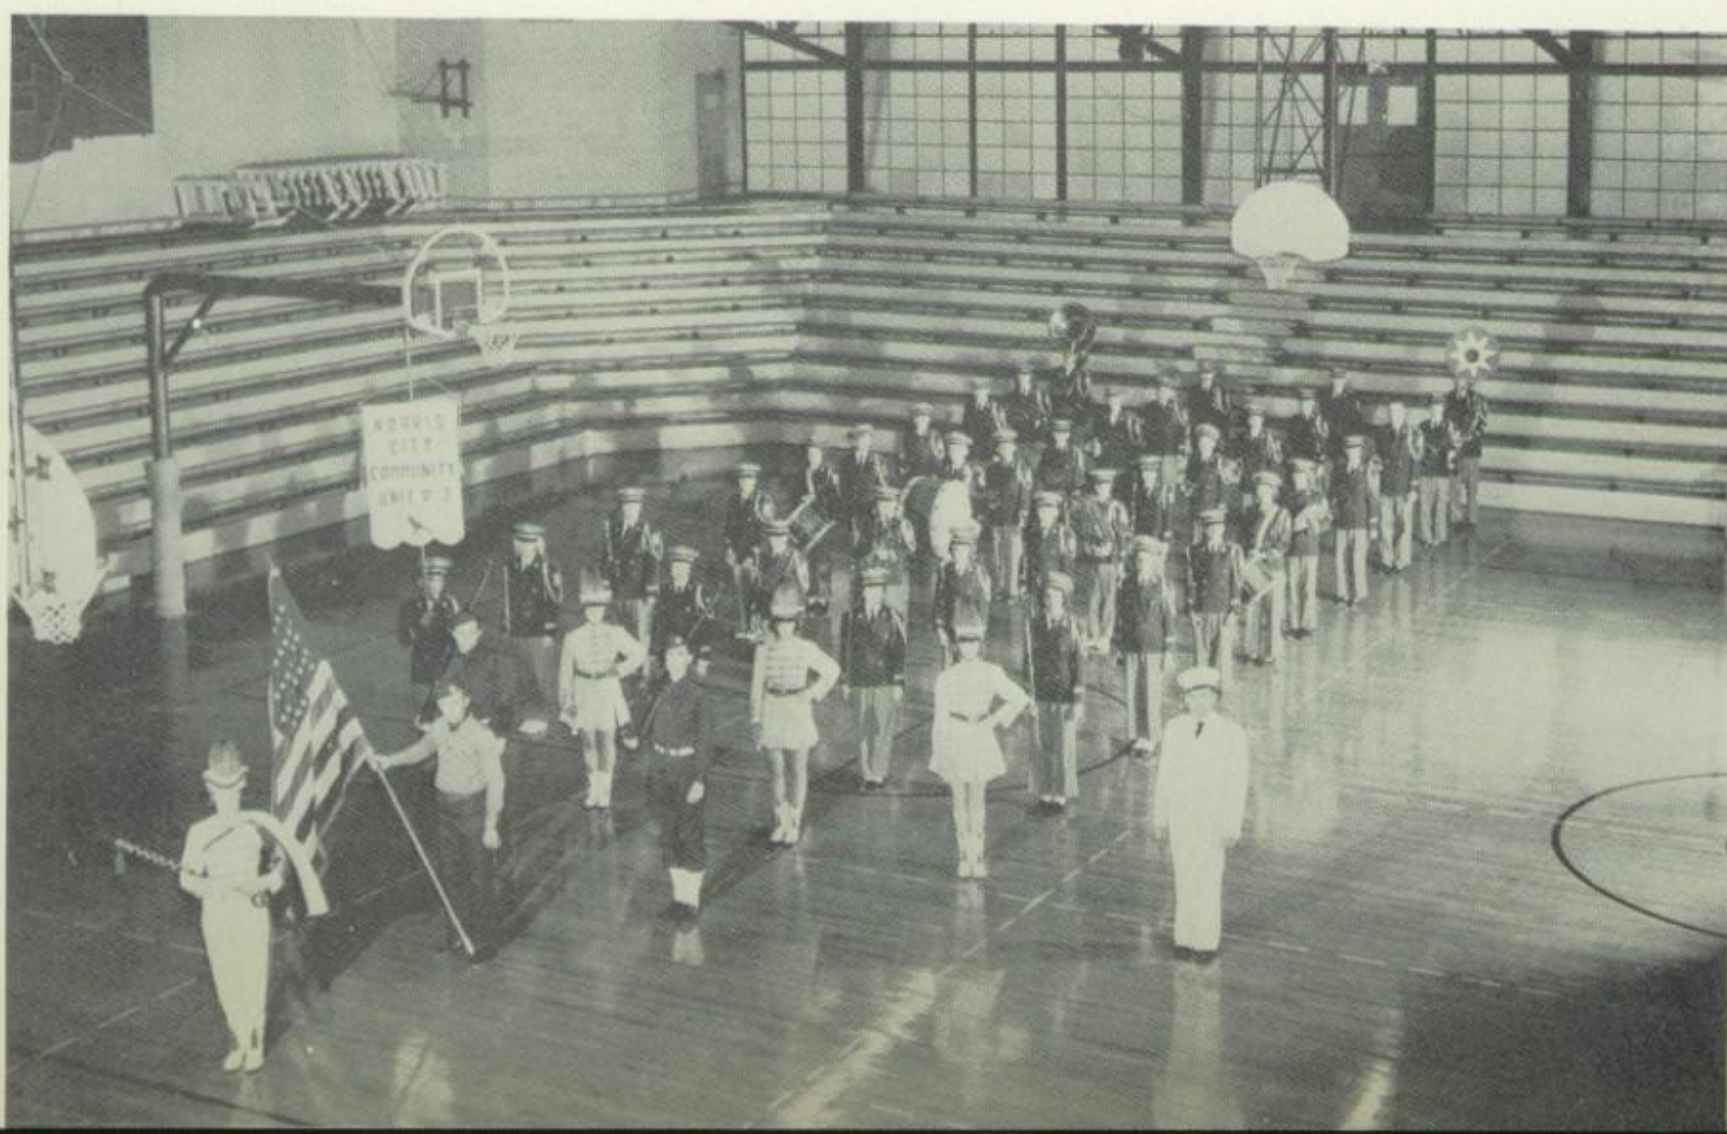

## *Band*

The band is an outstanding and beneficial organization. It furnishes not only a valuable experience for participating members but interesting and varied entertainment for the school and community. This year's band, under the direction of Harold Skelton, anticipates several advancements including uniform modernization and the establishment of a merit grading system.

Joanne Talley, Drum Majorette

## *Chorus*

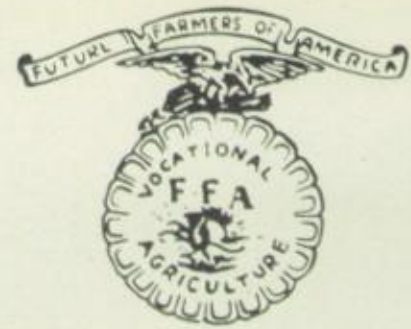

Mr. Harold Skelton, Director

There are more boys than girls in the high school choir for the first time in many years. The choir has many activities during the school year; for example, a variety show, an operetta in the spring, and singing for different organizations and church services of the Community. The choir was privileged this year to have a large number of students that had been four year members.

Miss Shirley Jo Wallace is the choir accompanist.

## *Future Farmers Of America*

The F.F.A. organization moves forward to fit its members for today's agricultural world through a balanced program of instruction, participation, and achievement. Each year members of F.F.A. participate in sectional and district judging contests of grain, livestock, and poultry.

## *Future Homemakers Of America*

F.H.A. attempts to provide a creative workshop atmosphere for those who will be our "Future Homemakers" by working to develop leadership, wholesome families, and international good will through learning situations.

## *N. C. Club*

The N. C. Club serves to further the cause of good sportsmanship in our athletic practices. Additionally and importantly, it serves to honor student athletics, as only those who have earned a varsity letter are eligible for membership.

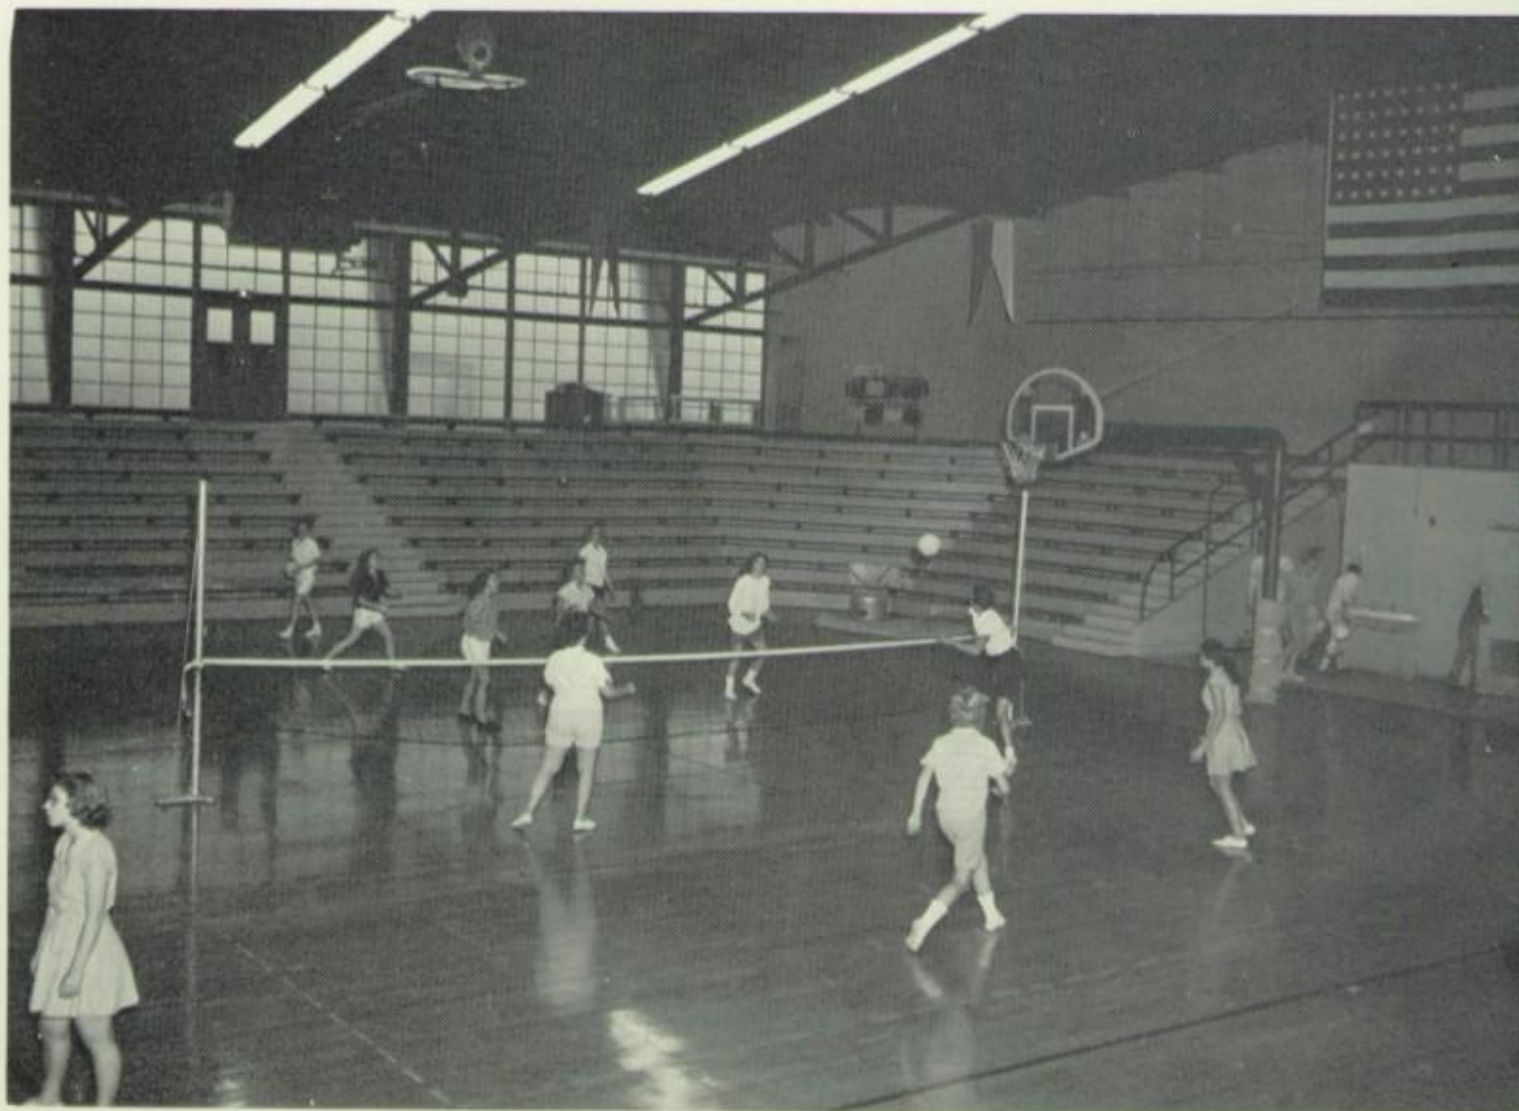

## *Hi-Y*

Hi-Y creates, maintains, and extends to the school and community high standards of Christian character. Boys with high ideals are eligible for membership. This year's sponsor, Mr. Spence, supervised the many activities of the club which included operation of the Hi-Y check room during basketball games and other comprehensive balances of work and play activities.

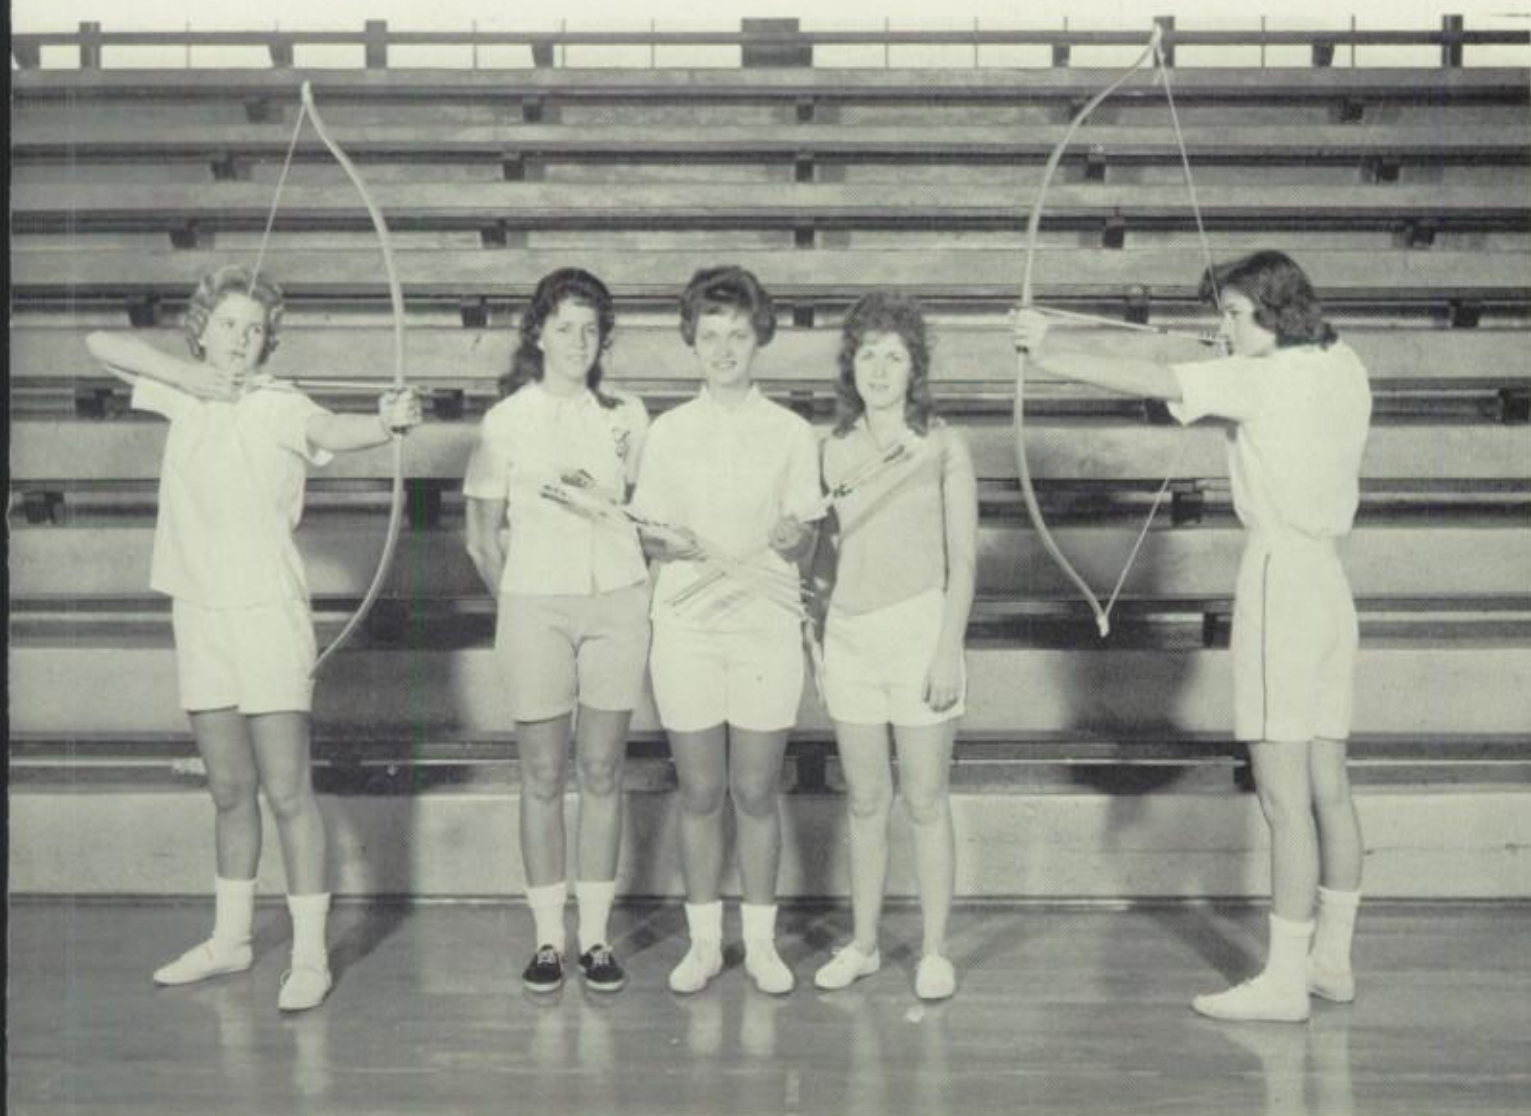

## *Girls Athletic Association*

## *Trampoline Team*

## *Archery Team*

## *Future Business Leaders Of America*

This year the major activity of F.B.L.A., an organization for commercial students, has been the revival and printing of the school newspaper, THE CARDINAL CHIRP.

## *The Beta Club*

The National Beta Club, new to our high school this year, was sponsored by Miss Diane Overton. Members are selected according to good mentality and character, creditable achievement, and commendable attitude. The motto of the club is, "Let Us Lead By Serving Others."

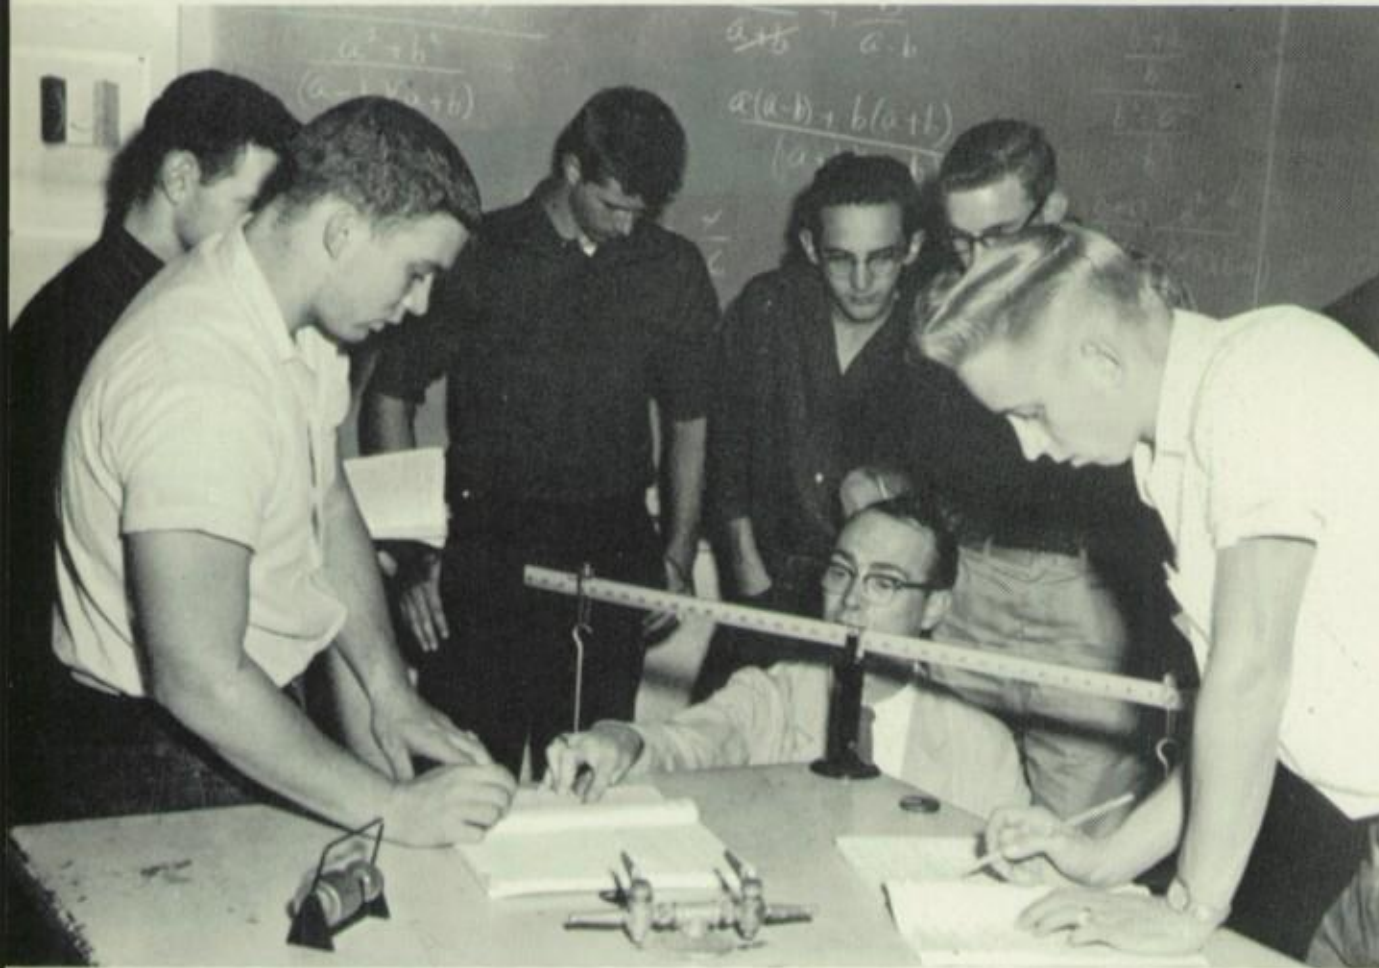

## *Class Language*

"You see, two plus two is not always 4."

All that in one crayfish?

Nothing can equal coffee from a smiling cup.

It seems slightly lumpy from here.

## *Through the Year*

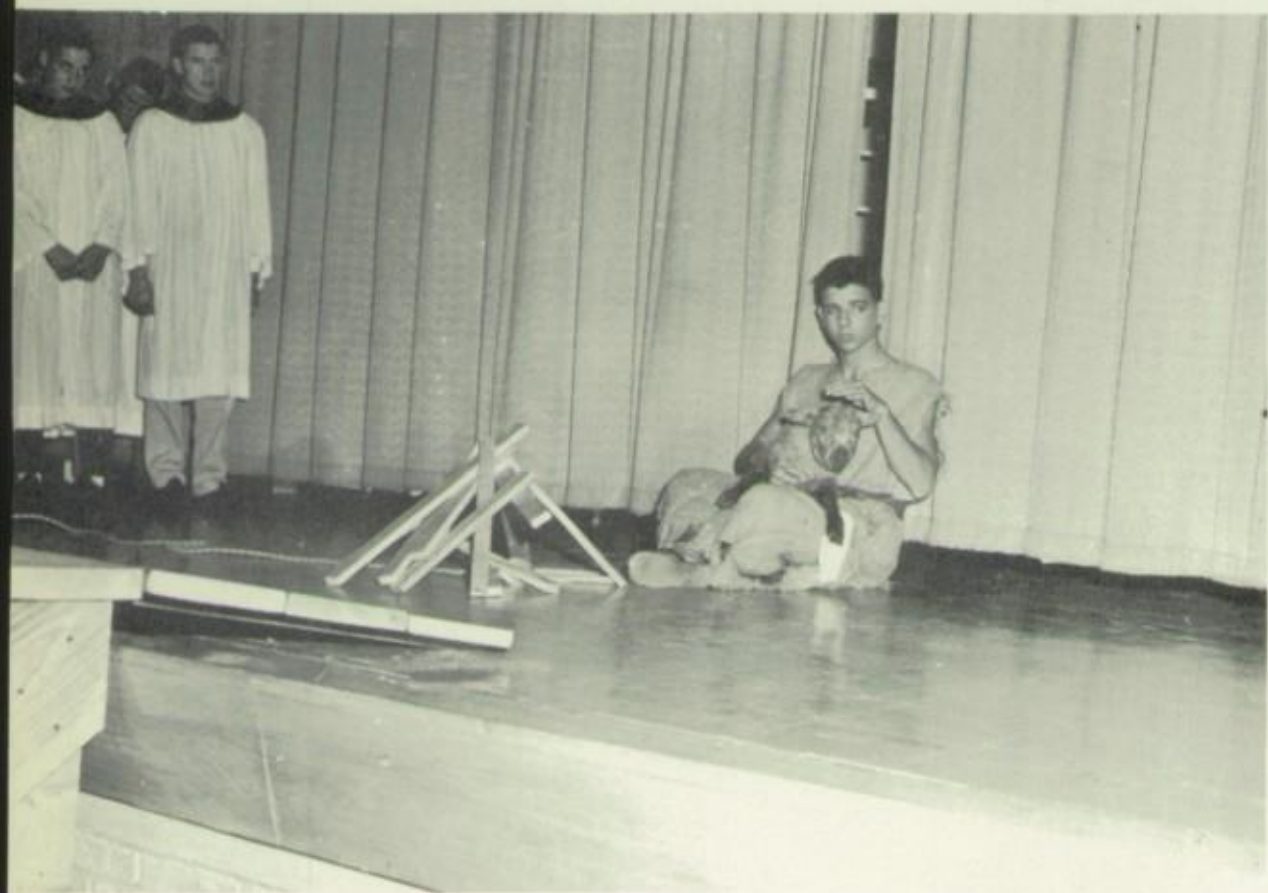

# *Christmas*

## "The Shepherd"

This year, in memory of the shepherds that went to Bethlehem to worship the newborn king, we began our Christmas program with a choral play entitled "The Shepherd".

One shepherd, Amos, played by Dennis Dixon, did not believe strongly enough in the star and needed a whisper from an angel. The other shepherds left and Amos stayed to tend his sheep. During the night, a lamb was born to one of Amos' sheep and with it came a heart-known whisper. Now Amos believed.

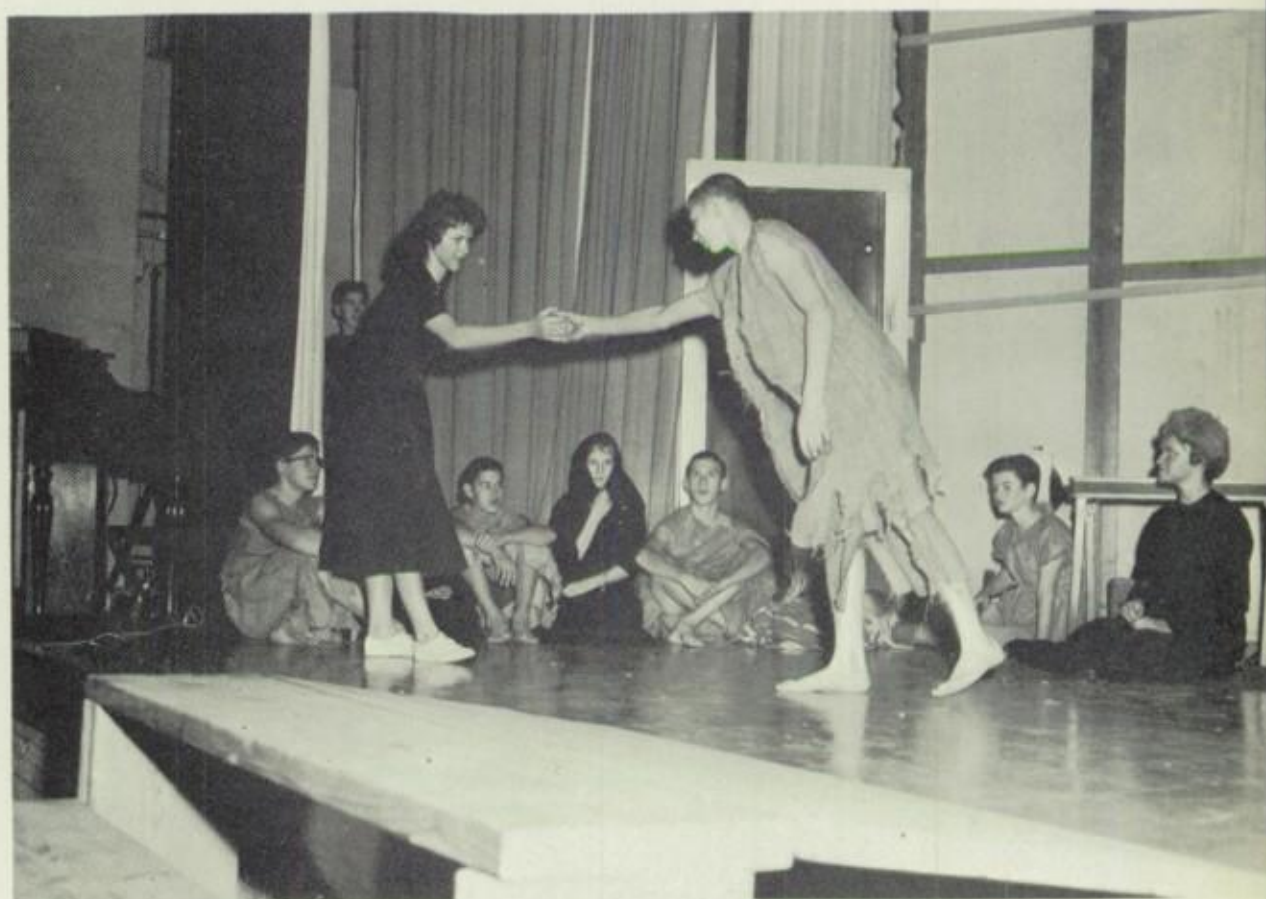

# Musical

## "Amahl and the Night Visitor"

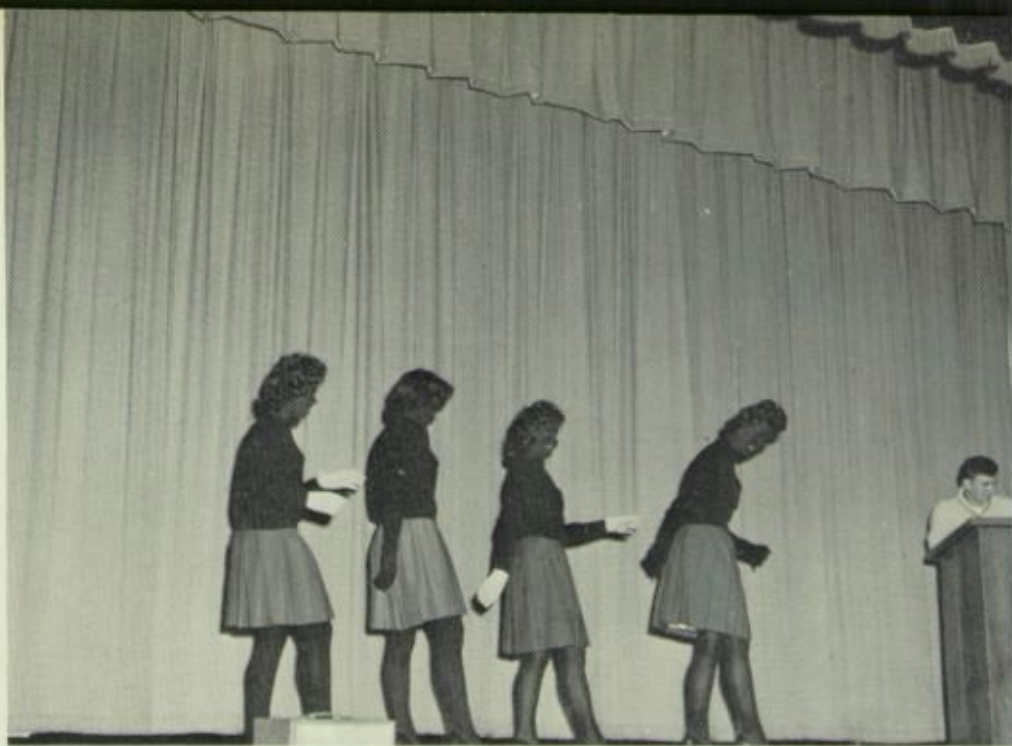

Last year Norris City began a school tradition by presenting an operetta entitled "Amahl and the Night Visitor".

Amahl, played by Jimmy West, having a large imagination, was fond of telling tall tales. When the brilliant star of Bethlehem shone, Amahl told his mother, played by Rosalyn Moyer. She did not believe him and sent him to bed. During the night, three wise kings came to their door and they were offered night lodgings. When Amahl's mother was caught trying to take gold pieces from the king, Amahl cried out for her safety. At dawn Amahl offered his crutch to be sent to Jesus at Bethlehem and was asked by the kings to accompany them on their journey. When Amahl received the permission of his mother to go with the kings, she asked if he wouldn't need the crutch himself, discovering then that he could walk.

No, you're not blind: I'm black.

Big Santa . . . in Bermuda Shorts.

I always wanted to be a girl.

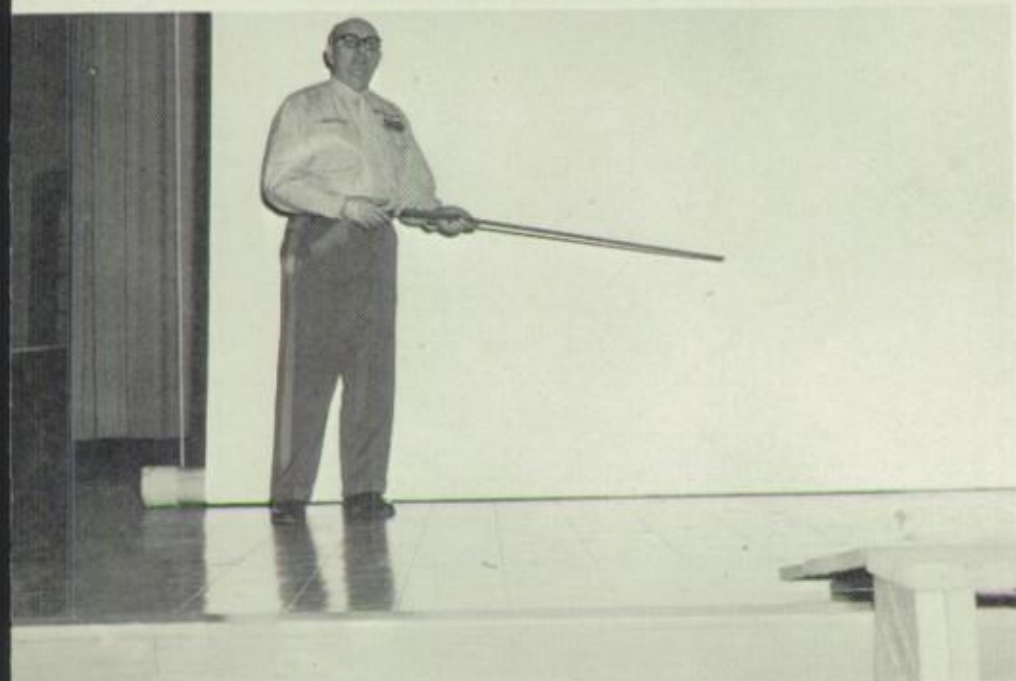

It's harder than you think.

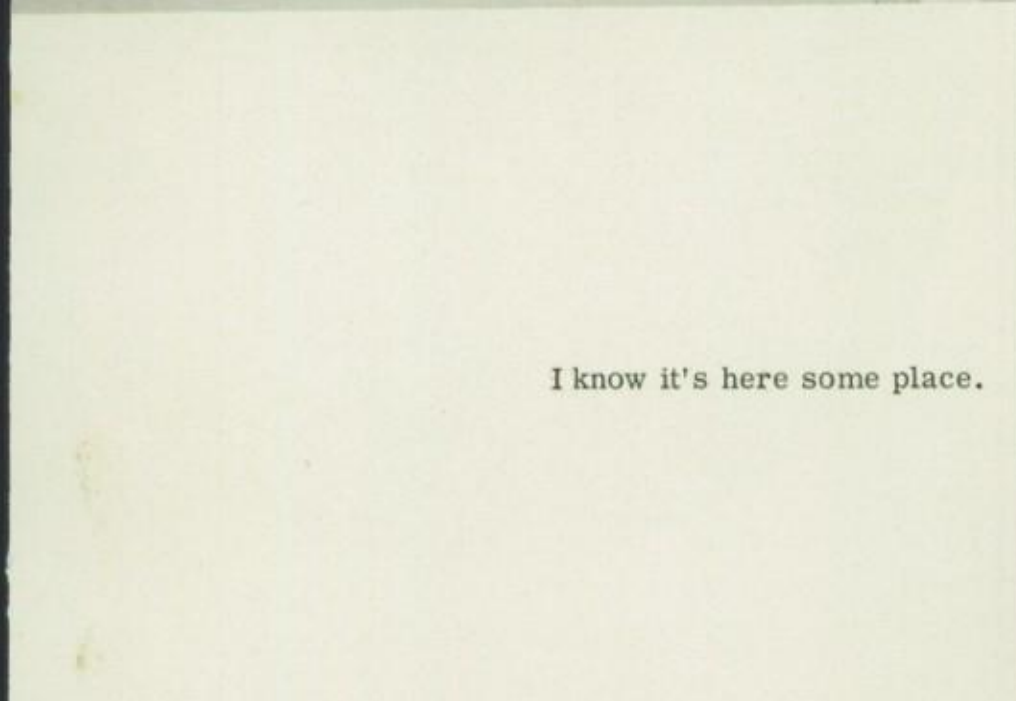

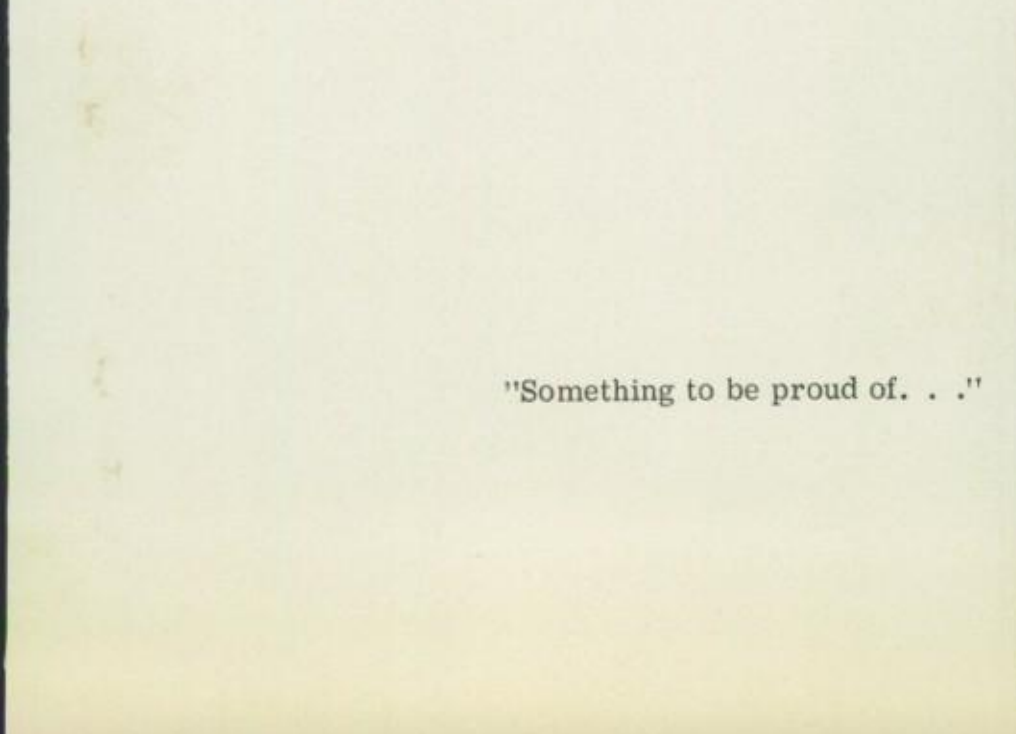

Yes, I got time out!

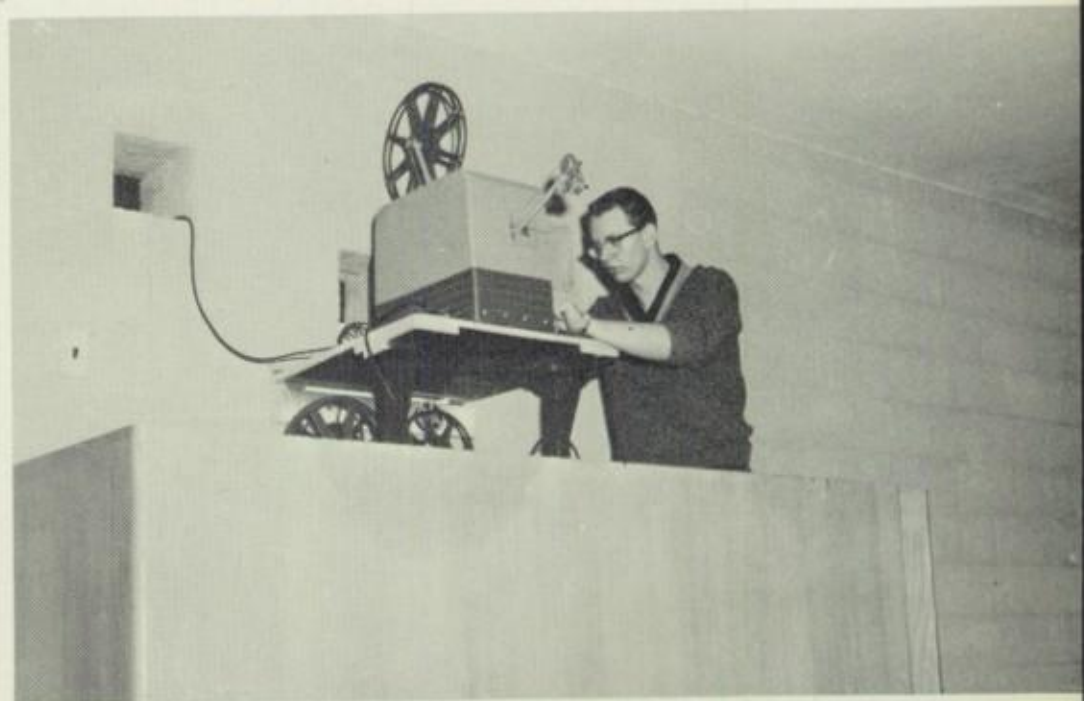

Do YOU believe in GHOSTS?

I know it's here some place.

"Something to be proud of. . ."

# Senior Projects

Truck Stop

Senior project pictures close our FEATURE SECTION, but in the mind of every senior hangs the thought of the reason behind this endless procession of saleable materials, from scrap iron to dictionaries--our trip in May to the nation's capital in Washington, D. C.

Though we can picture here only the storehousing for the trip, we know it, in itself, will make both our CARDINAL and our year more meaningful. Every Coke dripped, every candy bar mushed, every peanut crunched puts us farther along our way.

"I want my dime back!"

"Five cents, please."

# *In Memoriam . . .*

Mary Alice Price

We pause in the daily whirl of school life to pay loving tribute to our classmate Mary Alice Price, one whose life was a benediction to all who knew her.

# *In Memoriam . . .*

Mrs. Madge Roberson

For many years Mrs. Madge Roberson served as a true teacher of music for hundreds of children in our community. Her love and devotion for her work was proven by the fine response from the children she taught. She not only generated a feeling of security but also taught calmness, kindness, and love. Her life will always be remembered in this community for the wonderful inspiration she gave to others.
